ROTARY CLUB OF CALGARY CENTENNIAL

BUDDY LIST

The Rotary Club of Calgary Centennial is re-instituting its Buddy List. The purpose of the Buddy List is to help ensure that members are engaged in the club and if a member misses a few meetings, one or both of his or her buddies will check on the member and report to the President or to the Chair of the Sunshine Committee if appropriate.

Here is a list of our members arranged in groups. Please review the list to see who your buddies are and keep in touch with them.
